

Приложение 2  
к постановлению администрации  
муниципального образования  
«Городской округ город Астрахань»  
от \_\_\_\_\_ № \_\_\_\_\_  
(дата)

**Графическое описание местоположения границ публичного сервитута  
для размещения объекта  
ВЛ-0,4кВ От ТП-255 (по ул.Сибирская,Революц,Свободин,Цурюпы,Федеративн)-2275м;  
ВЛ-0,4ОтТП-255 (по  
ул.Колхозн,Днепростроя,Индустриал,Волховстроя,Свободинс)-3675м**

**Обзорная схема границ объекта землеустройства**

**Используемые условные знаки и обозначения:**

|              |                                                                                   |              |                                                     |
|--------------|-----------------------------------------------------------------------------------|--------------|-----------------------------------------------------|
| • 1          | - обозначение характерной точки границы устанавливаемой зоны публичного сервитута | —            | - граница устанавливаемой зоны публичного сервитута |
| —            | - границы земельных участков, попадающих в зону публичного сервитута              | —            | - ось линии                                         |
| —            | - граница кадастрового квартала                                                   | :113         | - кадастровый номер ЗУ                              |
| 30:00:000000 | - номер кадастрового квартала                                                     | —            | - граница населенного пункта                        |
|              |                                                                                   | г. Астрахань | - наименование субъекта, МО, населенного пункта     |

Описание границ публичного сервитута  
ВЛ-0,4кВ От ТП-255 (по ул.Сибирская,Революц,Свободин,Цүрүюпы,Федеративн)-2275м; ВЛ-0,4ОтТП-255 (по ул.Колхозн,Днепростроя,Индустиял,Волховстроя,Свободинс)-3675м

Местоположение публичного сервитута: Астраханская область, г. Астрахань  
Система координат: МСК-30  
Метод определения координат: Метод спутниковых геодезических измерений (определений)  
Средняя квадратическая погрешность положения характерных точек (Мт) в метрах: 0.10

Описание границ публичного сервитута  
ВЛ-0,4кВ От ТП-255 (по ул.Сибирская,Революц,Свободин,Цурюпы,Федеративн)-2275м; ВЛ-0,4ОтТП-255 (по ул.Колхозн,Днепростроя,Индустиал,Волховстроя,Свободинс)-3675м

Местоположение публичного сервитута: Астраханская область, г. Астрахань  
Система координат: МСК-30  
Метод определения координат: Метод спутниковых геодезических измерений (определений)  
Средняя квадратическая погрешность положения характерных точек (Мт) в метрах: 0.10

Описание границ публичного сервитута

ВЛ-0,4кВ От ТП-255 (по ул.Сибирская,Революц,Свободин,Цүрүюпы,Федеративн)-2275м; ВЛ-0,4ОтТП-255 (по ул.Колхозн,Днепростроя,Индустиал,Волховстроя,Свободинс)-3675м

Местоположение публичного сервитута: Астраханская область, г. Астрахань

Система координат: МСК-30

Метод определения координат: Метод спутниковых геодезических измерений (определений)

Средняя квадратическая погрешность положения характерных точек (Mt) в метрах: 0.10

| 1    | 2         | 3          | 1    | 2         | 3          | 1    | 2         | 3          |
